

## Continuity and circuit tester DUTEST

- With additional torch function (continuous light)
- Two-stage range indicator: 0 - 900  $\Omega$ /0 - 90 k $\Omega$
- Visual by means of diode display (LED)
- High-resistance measuring range: 0 - 90 k $\Omega$
- Protection class IP 40
- LED and buzzer
- Low-resistance measuring range: 0 - 900  $\Omega$
- With external voltage protection
- Tested and certified in accordance with VDE 0403
