Gentile Sr. Boario,

Vorremmo ringraziarLa per offrirci la possibilità di interpretare la Sua musica.

L'abbiamo ascoltata con molto piacere e crediamo che la Sua opera può far parte abitualmente dei nostri programmi di concerti. Se Lei avesse altre opere, saremmo molto lieti di inserirle nel nostro repertorio.

Come sicuramente avrà osservato sul nostro sito Facebook, aggiungiamo al nostro quartetto di sassofoni anche un contrabbasso, creando noi stessi le partiture di tali strumenti, ma Le saremmo molto grati se Lei, amabilmente, potesse inviarci la base accordica per suonare il basso.

Senza dubbio saremmo molto lieti di inviarLe le registrazioni e i programmi dei concerti nei quali apparisse la Sua opera.

Le porgiamo i più distinti saluti.

Juan Manuel Martín Robles
